Q: Which town's native label is Doncaster and is the birthplace of Jack White (the one that died in Royal Tunbridge Wells) ?

A: Doncaster

FindAll() → FilterStr(native label, Doncaster) → FilterConcept(town) → Find(Royal Tunbridge Wells)

Relate(place of death, backward) → Find(Jack White) → And() → Relate(place of birth, forward)

FilterConcept(town) → And() → What()
